

## Summer Golf Camp Exeter Country Club

**BRIEF DESCRIPTION:** Exeter Parks and Recreation with the partnership of Exeter Country Club is pleased to offer once again a local golf camp for Girls and Boys 8 to 14 Years Old. Your child will be taught the elements of golf from rules and etiquette, short games and long games as well as course management. The future of the game of golf in the United States depends on those young boys and girls interested in learning and respecting the game. The responsibility to secure the future of golf lies with those of us benefiting from golf today. The Golf Course Builders Association of America established the Sticks for Kids Foundation to provide the tools and opportunities necessary to allow as many junior golfers as possible to enjoy the game.

**INSTRUCTOR:** Bill Cassell is the Head Golf professional of the Exeter Country Club. Bill's golf career began in Great Falls, Virginia at Riverbend Golf and Country Club where he served as the Assistant Golf Professional from 1986 through 1988. Transferring to the northeast in 1989, Bill spent the next 8 years at Abenaki Country Club in Rye Beach, New Hampshire working under PGA Professional Jim Sheerin. He obtained his PGA of America Membership in October of 1989 and completed PGA Business School 3 in 1995. During the winters, Bill would travel to Florida to work at such facilities as Wyndemere Country Club and The Vineyards Country Club in Naples, and Fox Hollow Golf club in New Port Richey.
